INTRODUCTION

This document provides useful information about the Mx-Series accessories including photography, part numbers, descriptions, technical data, and fitting.

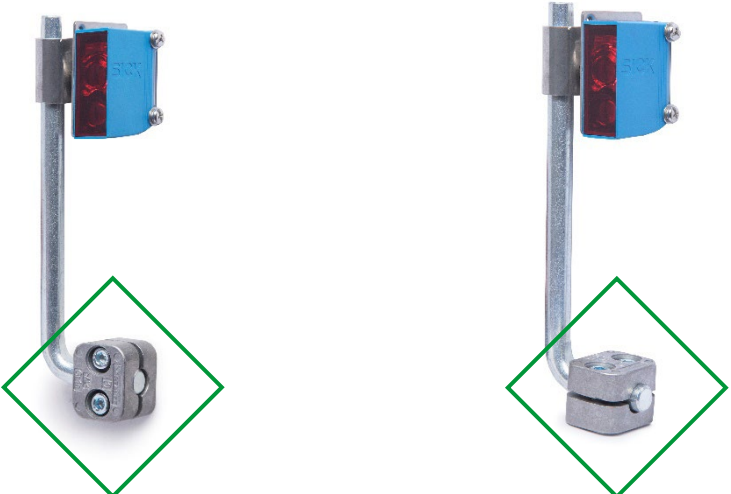

Note: This is a working document and will be continuously updated. The newest version of this document will always be available on MyDomino.

STANDARD ACCESSORIES

ELECTRICAL ACCESSORIES

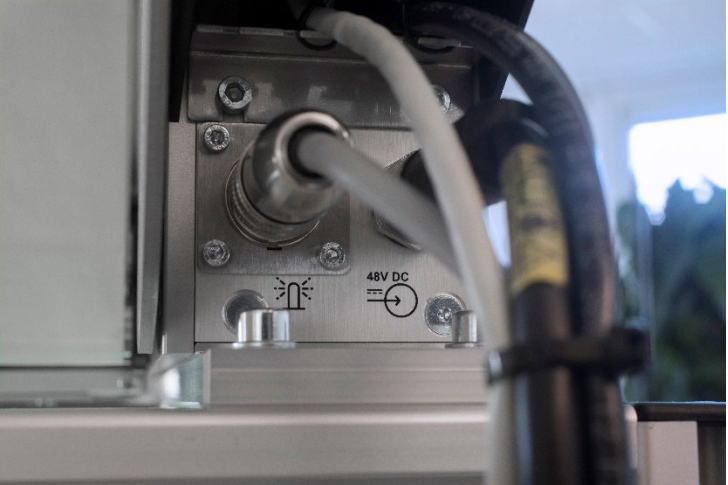

Product Detector

This product detector is fitted on the production line and set up so that a light beam from the detector is reflected by the product itself. The reflection may be from the body of the product or from the light coloured marking on a darker background on the product. The aluminum clamp enables mounting on vertical or horizontal surfaces.

Product / Part number	Technical Data
Product detector kit EPT066140SP	<ul style="list-style-type: none"> ◆ SICK GTB10 ◆ 5 m cable ◆ Mounting details ◆ Instructions

Thermal printhead cleaning wipes EPT039697	<ul style="list-style-type: none"> ◆ Box of 50 sachets ◆ Read more in the SDS (Safety Data Sheet): https://ulmysds.com/customers/domino.aspx
	

In addition to the well-defined standard accessories, we offer an extended range of accessories for the Mx-Series.

EXTENDED RANGE OF ACCESSORIES

MECHANICAL ACCESSORIES

Tube stands

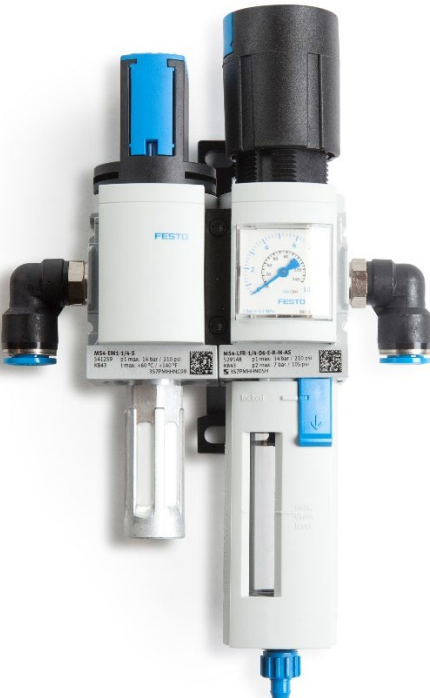

A robust and flexible Tube stand in stainless steel for mounting a Print & Apply unit at a fixed height. For more information, please read the Stand Guide, found on MyDomino.

Product / Part number	Technical Data
S1000TF-170 (Angle 0°, 90°, 180°, 270°) MT27002	◆ 170 cm Tube stand
S1000TF-170 (Angle 90°, 270°, horizontal) MT27003	

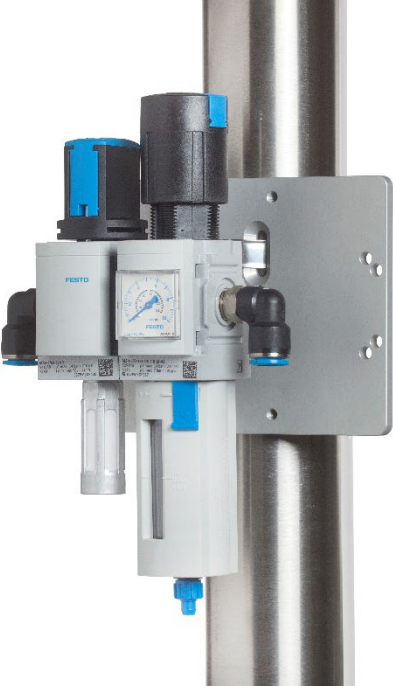

Air supply

Makes it possible to control and monitor the compressed air supplied to the Print & Apply unit. Thanks to a filter system it also makes sure that the air does not contain particles, water or oil. Not required for units supplied with Machine Stop Kit as it is included as a part of the kit.

Product / Part number	Technical Data
Air kit complete MS4 left EPT023137	◆ Ø 10mm tube connection
	
Related accessories	
EPT023714	Air supply mounting kit (for Tube stands – not required for Floor stand)
EPT051826SP	Air supply filter cartridge

Air supply mounting kit

A mounting kit for Air supply, making it easy to mount it on a Tube stand or on aluminum profiles. Assembled on site.

Product / Part number	Technical Data
Air supply mounting kit MS4 EPT023714	<ul style="list-style-type: none"> ◆ Mounting plate ◆ Mounting details
	
	
Related accessories	
EPT023137	Air kit

Air supply filter cartridge

Replacement filter cartridge to the Air supply kit. Makes sure that the air does not contain particles, water or oil.

Product / Part number	Technical Data
Filter cartridge EPT051826SP	◆ 2 pcs
	
Related accessories	
EPT023137	Air kit

Flange clamps - FKR

Clamps for mounting your Print & Apply unit in various angles.

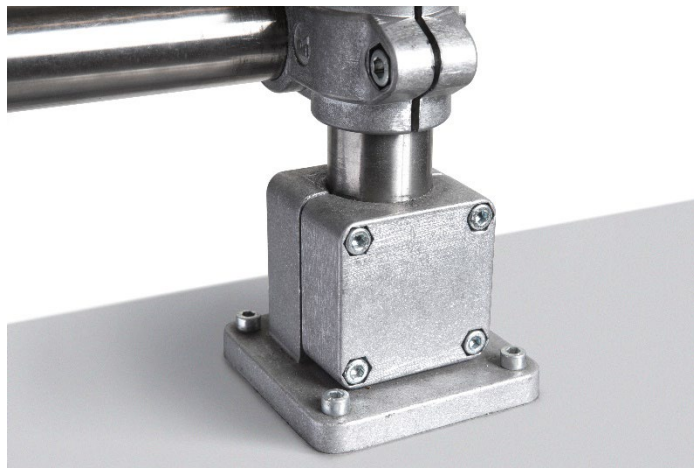

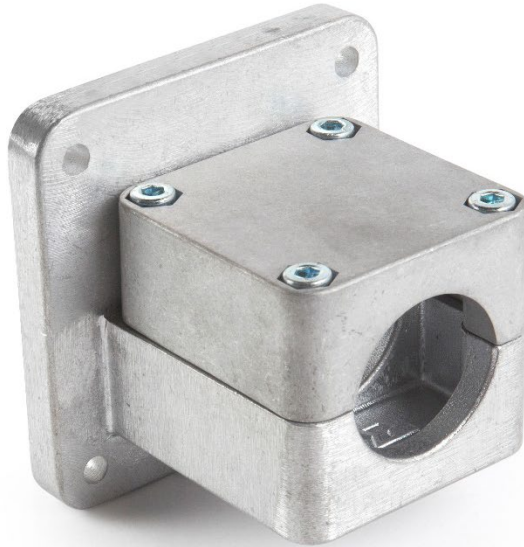

Product / Part number	Technical Data
Flange clamp MT11205 – FKR 50	◆ Clamp for Ø 50 mm tube

Base clamps

Clamps for mounting your Print & Apply modules in various angles.

Product / Part number	Technical Data
Base clamp MT11220SP – FKR 50	◆ Clamp for Ø 50 mm tube

Mounting stand for scanners

A flexible stand for fixation of scanner along the conveyor.

Product / Part number	Technical Data
Stand to stationary scanner MT20229	<ul style="list-style-type: none">◆ 30 mm aluminium profiles◆ Can be bolted to floor (height 1m)
	

ELECTRICAL ACCESSORIES

Scanner- Datalogic

A linear scanner with 40-300 mm reading distance from Datalogic, for verifying the readability of printed barcodes.

Product / Part number	Technical Data
Datalogic DS2100N-1200 MT21970	◆ Datalogic product information
	
Related accessories	
MT20229	Stand to stationary scanner
EPT049357	Connection kit

Connection kit for Datalogic Scanners

A connection kit to connect an external Datalogic scanner.

Product / Part number	Technical Data
Connection kit, External scanner for Mx EPT049357	<ul style="list-style-type: none">◆ Cable, 3m◆ Screws and nuts
